

## **Student Poster Competition Instructions**

1. Submit a static jpeg image of a PowerPoint image sized to the same dimensions as a professional poster (48" x 36"). The image will be electronically displayed at the conference on a 52" monitor.
2. Provide one anonymized .jpeg and one with your name and program displayed. Both submitted to the ACERT President Tanya Nolan by January 15, 2019 via the acert web page. Applications are due on December 1, 2018.
3. Information posters should include the following sections: Title, Purpose, Findings, Conclusions, and References.
4. Investigational/Original Research posters should include the following sections: Introduction, Hypothesis/Objective, Literature Review, Methods, Results, Conclusion, and References.
5. All sources, including images, should be appropriately cited.
6. Rubrics will be used for grading.
